 - Enrolled with Cahaba GBA
 - Receive their Medicare payments electronically
- Existing agreements will be transferred
- Agreements pending processing will be transferred to Palmetto GBA for completion
- All banking changes should continue to be made through Cahaba GBA until your cutover date

LOCAL COVERAGE DETERMINATIONS (LCDs)

Harry Feliciano, MD, MPH
Senior Medical Director
Medical Review/Medical Affairs

JJ LCDs

- JJ LCDs will be available on Palmetto GBA's website
- Part A & B LCDs will be available in early December
 - Will apply to all JJ states
 - Will become effective **on** the respective cutover date
 - The JJ AB MAC and JM AB MAC will have identical LCDs

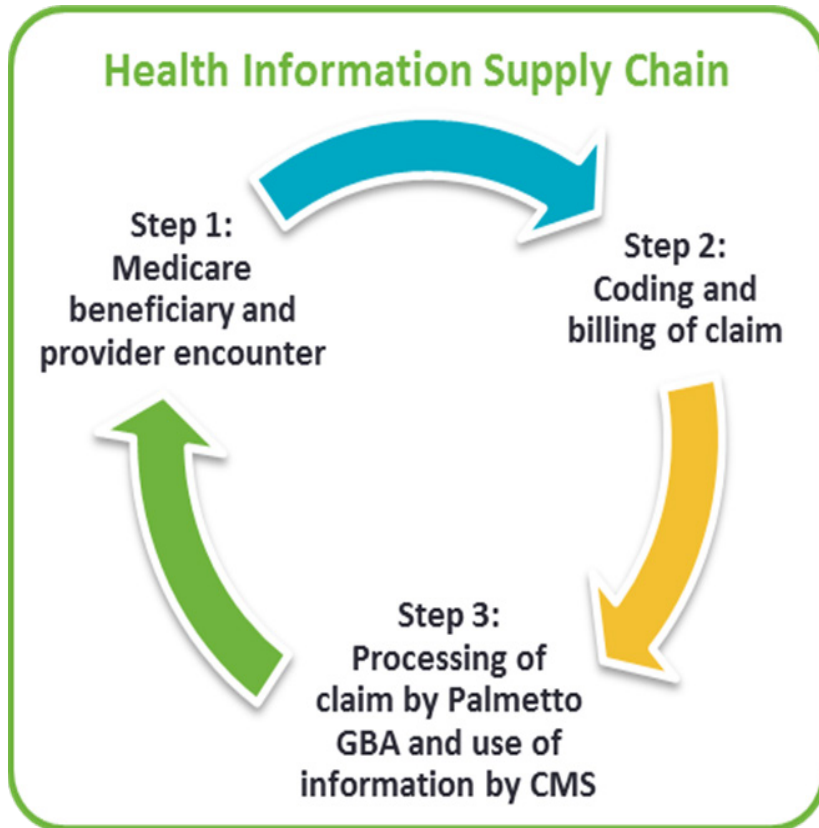

CONSOLIDATED LCDs

- An article describing the LCD consolidation process will be published in early December
- A crosswalk to the consolidated LCDs will be posted to Palmetto GBA's JJ transition website in early December
- Once the JJ AB MAC transition is complete, the JJ and JM states will share the same LCDs

CARRIER ADVISORY COMMITTEE (CAC)

- Following JJ LCD consolidation, the JJ CAC will:
 - Be asked to remain in place
 - Advise Palmetto GBA on potential LCD revisions
 - Advise Palmetto GBA on the creation of new LCDs

CONTRACTOR COMPLIANCE OFFICER (CCO) WORKGROUP

- Palmetto GBA will request volunteers for a workgroup
- JJ CCO workgroup will meet on a regular basis to share information on strengthening the health information supply chain (HISC)
- Physician advisors are welcome

RISK MANAGEMENT

- Risk management = the process of identifying threats and vulnerabilities to reduce the likelihood of errors and negative outcomes
 - Clinical
 - Operational
 - Financial

THREATS AND VULNERABILITIES

- Threat = a potential hazard
- Vulnerability = a weakness
- Risk = the likelihood that a threat will exploit a vulnerability

SHARED THREATS

- External audits
- Medicare payment reform
 - “Volume to value”
- Increased transparency

SHARED VULNERABILITIES

- Incomplete health records
- Poorly organized health records

PALMETTO GBA

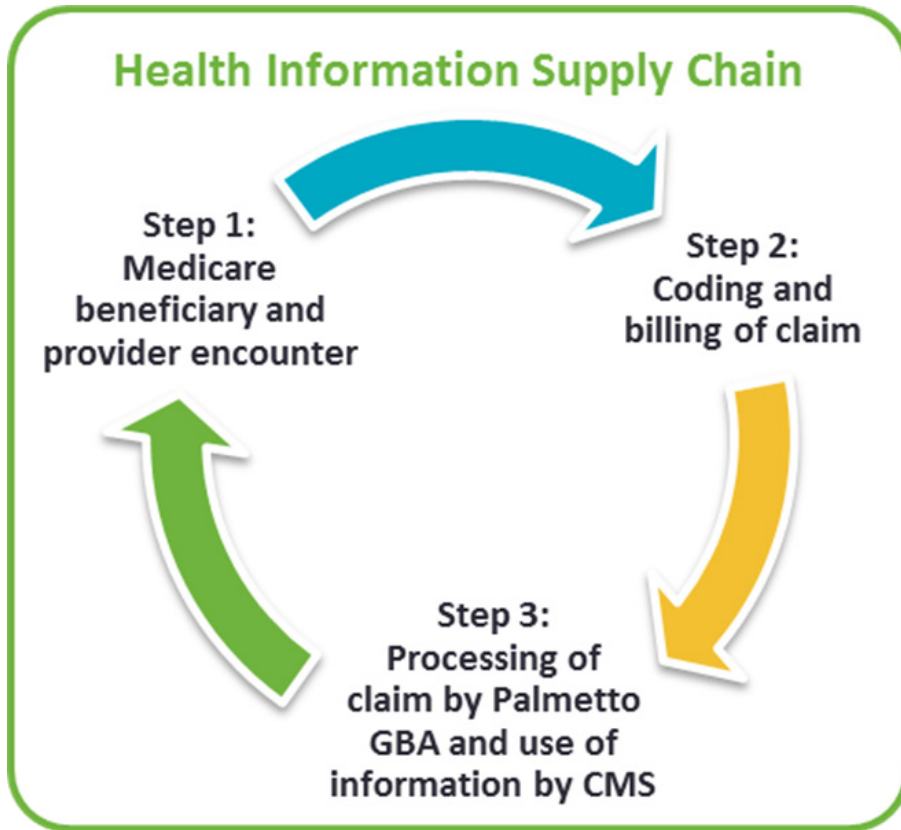

RISK MANAGEMENT

- Objectives:
 - Prioritize errors
 - Improper Payment Reduction Strategy (IPRS)
 - Progressive Corrective Action (PCA)
 - Perform root cause analysis
 - Implement DMAIC procedure
 - Catalyze process improvement
 - Share knowledge

WHY DMAIC?

- The DMAIC procedure supports:
 - Internal process improvements to reduce variation
 - Mutual behavioral change via root cause analysis
- CMS understands and supports the concepts:
 - **Define**
 - **Measure**
 - **Analyze**
 - **Improve**
 - **Control**

TARGETED PROBE & EDUCATE (TPE)

- Will strengthen the HISC through collaboration
- Identified providers' records will be reviewed
 - 20 – 40 claims
- Providers will be offered error-specific education
- Provider referral to CMS if no improvement after three rounds of TPE

MoIDX®

- The MoIDX® program will be implemented in JJ
- For more information, visit our [MoIDX](#) page
 - Covered tests
 - Excluded tests
 - FAQs
 - MoIDX® Local Coverage Determinations (LCDs)

MoLDX®

- Medicare Part A and Part B providers in the Palmetto GBA jurisdiction are required to register all molecular tests with the Diagnostics Exchange™ (DEX), an online test registry
- DEX Diagnostics Exchange™ will assign a unique Z-Code identifier to each molecular test
- After the registration and application processes have been completed, the MoLDX team will access the registry information to determine if a test meets the Medicare criteria for coverage

MoLDX®

The following CPT codes require a Z-Code for each molecular test prior to claim submission:

Code Category/Description	2017 MoLDX Code Range
Tier 1	81161-81383
Tier 2	81400-81408
Genomic Sequencing and other MAA	81410-81471
Molecular Multianalyte Assays (MAA)	81490-81595
MAA Proprietary Codes	0001M-0009M
Immunology	86152-86153
Microbiology	87149, 87150, 87505-87507, 87631-87633
PLA	*All Codes
NOC	81479, 81599, 84999, 85999, 86849, 87999, 88199, 88299, 88399, 89398

MOLDX[®] TRANSITION

- The exact time when the DEX identifier will be required on claims has not been determined at this time
 - However, one should expect no later than March 1, 2018

MOLDX[®] TRANSITION

- To register a test for a DEX Z-Code[™] identifier:
 - Go to [DEX Diagnostics Exchange](#) and follow the instructions to register your organization, including participation in the MoldX[®] program

OVERPAYMENTS

Krisdee Foster
Senior Provider Relations Representative
Provider Outreach & Education

OVERPAYMENTS

- Demand letters will continue to be mailed up to the cutover date
- If you receive an overpayment demand letter from Cahaba GBA, you should submit the money to the contractor name listed on that letter
- Two weeks prior to transition, demand letters will include an insert with alternative mail to/instructions and addresses
 - If you submit the item to Cahaba GBA and it is received after cutover, it will be forwarded to Palmetto GBA, however this could delay stopping recoupment

OVERPAYMENTS

- Palmetto GBA and Cahaba GBA will coordinate in order to assure all refunded money is applied correctly
- If Cahaba GBA establishes an overpayment that has gone to offset at the time of cutover, they will provide Palmetto GBA with any outstanding overpayments and Palmetto GBA will continue with the recoupment from future Medicare payments

OVERPAYMENTS

- Upon cutover to Palmetto GBA, providers should use eServices to submit payments via eCheck or eOffset for Medicare overpayments:

The screenshot shows the 'Refund Overpayment Electronic Check (e Check) Form' in the Palmetto GBA eServices portal. The navigation bar includes Home, Claims, Remittance, Eligibility, Financial Tools, Messages, Forms, Support, Admin, and My Account. A notification box indicates 'You have 0 unread message(s) and 1 alerts.' The form is titled 'Refund Overpayment Electronic Check (e Check) Form' and is divided into 'Provider Information' and 'Are you submitting this request for an Affiliated Provider Number?'. The 'Provider Information' section contains the following fields:

Contract/Region :	[Redacted]	Provider Number (PTAN) :	[Redacted]
Provider Name :	[Redacted]	Provider Address 1 : *	[Text Box]
National Provider Identifier (NPI) :	[Redacted]	Provider City : *	[Text Box]

Provider State : *	[Dropdown]	Tax ID :	[Redacted]
Provider Phone Number : *	[Text Box]		
Contact Name : *	[Text Box]		

Are you submitting this request for an Affiliated Provider Number? : * Yes No

VOLUNTARY REFUNDS

- Upon cutover to Palmetto GBA:
 - Part A providers should submit claim adjustments for any claims which are still timely in order to repay an overpayment
 - If you have multiple claim adjustments that can't be made due to timeliness, you may submit a single voluntary refund form with one spreadsheet of all the claims that require adjustment
 - We encourage one check to cover all of the adjustments if there are multiple claim adjustments associated with the voluntary refund
 - This is for MSP and non-MSP

CREDIT BALANCE REPORTS

- Upon cutover to Palmetto GBA, providers should use eServices to submit CMS-838 credit balance reports:

The screenshot displays the Palmetto GBA eServices portal. At the top, there is a navigation menu with links for Home, Claims, Remits, Eligibility, Financial Tools, Messages, Forms, Support, Admin, and My Account. Below the menu, a status bar indicates "You have 0 unread message(s) and 0 alerts." and a "Go To page" dropdown menu set to "Select Form".

Medical Credit Balance Report

The CMS-838 Credit Balance Report Form must be an attachment to this submission and be completed in full. This will include the provider name, 6 digit provider number, calendar quarter end, signature of officer or administrator, date signed, and name and phone number of contact person. Also, indicate if the provider is low utilization, if a detail page is attached, or if there are no credit balances to report for the given quarter. If a fully completed, correct CMS-838 form is not attached, Medicare payments may be withheld until a correct report is received.

PROVIDER ENROLLMENT

- Provider enrollment applications and enrollment changes should be made through Cahaba GBA until your cutover date
- Upon cutover to Palmetto GBA it is our expectation that all enrollment applications and revalidations will be performed through the Provider Enrollment Chain and Ownership System (PECOS)

APPEALS – FIRST LEVEL REDETERMINATION

Krisdee Foster
Senior Provider Relations
Representative
Provider Outreach & Education

APPEALS – FIRST LEVEL REDETERMINATION

- All first level redeterminations should continue to be submitted to Cahaba GBA until you are notified to send them to Palmetto GBA
- The timeliness standards for both provider submission and contractor processing will remain unchanged
- Providers should continue to contact Cahaba GBA about their appeal status for first level redeterminations until the cutover

APPEALS – FIRST LEVEL REDETERMINATION

- Upon cutover to Palmetto GBA providers should begin submitting first level redeterminations through the eServices portal

The screenshot displays the Palmetto GBA eServices portal interface. At the top, a navigation bar includes links for Home, Claims, Remittance, Eligibility, Financial Tools, Messages, Forms, Support, Admin, and My Account. Below the navigation bar, there is a 'Get Status' button and a notification box stating 'You have 0 unread message(s) and 1 alerts.' A 'Help' button is also present. The main content area is titled 'Redetermination: First Level Appeal - JM Part B'. It is divided into two sections: 'Provider Information' and 'Requestor Information'. The 'Provider Information' section includes fields for Contract/Region, Provider Name, National Provider Identifier (NPI), Provider Address 2, Provider State (a dropdown menu), Provider Phone Number, Provider Number (PTAN), Provider Address 1, Provider City, Provider Zip Code, and Tax ID. The 'Requestor Information' section includes fields for Requestor Name and Requestor Phone Number, with a checkbox option for 'Same as Provider Phone Number'.

eSERVICES

- Our preferred mechanism for interacting with Palmetto GBA to:
 - Check eligibility
 - Claims status
 - Submit cost reports
 - Respond to Additional Documentation Requests
 - Submit First level Redeterminations
- All providers currently enrolled in Cahaba InSite will be auto-enrolled in eServices upon cutover
- Manage your Medicare Information

eCBR

- Electronic Comparative Billing Reports (eCBR) 
- An educational tool for providers to use in order to provide insight into your billing patterns and utilization of services in comparison to your peers

eREVIEW

- Electronic Utilization (eUtilization) reports: shows rendering and ordering/referring providers when and by whom their NPI is being used for billing Medicare services
- Electronic Audits (eAudits): access personal audit results for claims which have been chosen for Complex Medical Review by various Medicare review contractors

eCBR eUtilization eAudit

Electronic Audit (eAudit) reports offer a dashboard of audit results for claims which have been sampled by review contractors for Complex Medical Review. eAudit gives providers the opportunity to see what claims may be pending a complex medical review currently and the results of any recent medical review activities. This information can be used for self-assessment of provider performance on Medicare audits utilizing the dashboard containing common denial reasons. The tool currently features CERT contractor claim reviews and JM MAC Medical Review with JM Appeal results coming soon.

Please be aware this data represents Medical Review decisions at the time of review. These decisions may not be final in system and adjudication may be impacted by other system edits.

AUDIT TYPE:

Welcome to Palmetto GBA Event Registration Portal

Palmetto GBA is excited to announce this portal as our one-stop shop for all Palmetto GBA hosted events. Replacing the Workshops database was designed with a more intuitive event registration process and a user-friendly layout. To register for an event, first use your Event Registration Portal user name and password to login, then select the event you want to register for. New users must create a profile before registering. ASK THE CONTRACTOR TELECONFERENCE (ACT)

- Teleconferences (ACTs) are intended to open the communication channels between providers and Palmetto GBA, which allows for timely identification of problems and information-sharing in an informal and interactive atmosphere
 - Teleconferences held at least quarterly
 - Scheduled ACT teleconferences are available on the Palmetto GBA website by Line of Business (LOB) under Learning and Education

PROVIDER OUTREACH & EDUCATION ADVISORY GROUP (POE-AG) MEETINGS

- Outreach and Education Advisory Groups (POE-AGs) have been established as forums for Palmetto GBA to solicit input and feedback from the provider communities on various topics such as provider education materials; tentative dates and locations for education workshops or events; and particular topics of interest or concern
- The POE-AG meets quarterly to solicit input and feedback regarding the issues outlined above
 - POE-AG membership will remain the same as we transition to JJ
 - POE-AG meeting schedule is available on the website for each LOB
 - Membership drives are conducted periodically by Palmetto GBA
 - If you are interested in being an active participant, please be sure to complete and submit the POE-AG membership form

QUARTERLY UPDATE WEBCASTS

- These 60-minute webcasts are designed to provide pertinent updates, changes and reminders to assist the provider community in staying compliant with Medicare rules and regulations and include:
 - Any new billing regulations
 - Hot topics that impact provider billing
- Offered every quarter

LISTSERV E-MAIL UPDATES

The screenshot shows the Palmetto GBA website interface. At the top left is the Palmetto GBA logo, a stylized 'G' made of four squares, followed by the text 'PALMETTO GBA' and 'A CELERIAN GROUP COMPANY'. Below this is a blue navigation bar with 'PALMETTO GBA HOME' on the left and 'E-mail Updates' on the right. A white box with a green border contains two tabs: 'New Users' and 'Current Users'. Under 'New Users' are two orange buttons: 'Register Now' and 'Log In'. Under 'Current Users' are two blue links: 'Forgot your username or password?' and 'Update your user profile'. Below the navigation bar, there is a paragraph of text: 'Registering for PalmettoGBA.com is quick, easy and free! Sign up now to receive email updates.' This is followed by another paragraph: 'If you would like to receive these updates by email, you must register and create a customized profile of the documents you would like to receive.' A third paragraph: 'If you would like to unsubscribe from our email service, please login to your account and click on the "Please click here to unsubscribe" link at the top of your profile page. Once we receive and verify your request, you will receive a confirmation email. You will no longer receive email updates from PalmettoGBA.com.' A final paragraph: 'For more information on the registration process, see the article ["Using the new PalmettoGBA.com registration"](#).' At the bottom of the page, there is a copyright notice: '© 2017, Palmetto GBA, LLC'.

AA Font +

Issue Identified 10/13/2016:

The current Integrated Outpatient Code Editor (IOCE) is incorrectly applying deductible and coinsurance to the behavioral counseling for obesity HCPCS Code G0473 for dates of service January 1, 2015 and after with bill types 13X and 85X.

Impact to Providers

There is no action required by the provider.

Status

10/16/2017: The IOCE will be updated in January 2018 to reflect no deductible or coinsurance for HCPCS Code G0473. Mass adjustments will be completed within 60 calendar days after successful implementation of the January 2018 IOCE update.
