# Our Mission

To improve the health and wellbeing of rural Tennesseans by strengthening and supporting the Rural Health Clinics who serve them.

# We need your voice...

- RHA of TN works to support Rural Health Clinics (RHCs) and other facilities important to our rural health infrastructure.
- July 1, 2022, Rural Health Association of Tennessee (RHA) received a HRSA Planning Grant (P10RH45771-01-01) to build capacity to support the state's more than 200 Rural Health Clinics.

# Will you join us?

- RHA is currently in the process of applying for a network development grant to further develop a network specifically dedicated to RHCs.
- RHCs wishing to becoming founding members of the network are invited to review our Memorandum of Agreement by visiting our website or using the QR Code below:
